Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Sunday 20 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy rain arrives overnight and persists through Monday.

This Evening and Tonight:
A cloudy evening, with scattered showers possible for some. Overnight, widespread heavy rain pushes in from the south, persisting into the morning. Winds becoming breezy through the early hours, especially along coasts. Minimum temperature 12 deg C (54 deg F).

Monday:
A wet start to Monday as overnight rain persists through the morning, occasionally heavy. Turning drier into the evening as rain becomes patchier. Staying cloudy and breezy along coasts. Maximum temperature 19 deg C (66 deg F).

Outlook for Tuesday to Thursday:
Rain possible early Tuesday, but drier later with sunny spells. Staying dry Wednesday with further sunny spells. Thursday likely to see some light rain. Cool mornings but becoming warmer throughout.
